Seventh-Day Adventist Church

The theme of last Sabbath's sermon was "Genuine Christianity." Key texts 2 Cor. 5:17 "Therefore if any man be in Christ he is a new creature, old things are passed away, behold all things are become new". After the fall of Adam and Eve, which brought sin, disease, death, and sorrow into the world, we became servants of sin. "The carnal mind is enmity against God, for it is not subject to the law of God neither indeed can it be." We therefore find our selves sinners before God, and life condemned by the law of God. Ephesians 2:3 says "Among whom we all had our conversation in times past in the lusts of our flesh, fulfilling the desires of the flesh and of the mind, and were by nature the children of wrath, even as others. "By nature then the heart is evil, "And who can bring a clean out of unclean? not one. John 14:4. So they then that are in the flesh cannot please God. Jesus made this astounding statement when being questioned by 1 John 3:4 Nicodemus in St. John 3:3 "Verily, verily, I say unto you, Except a man be born again he cannot see the kingdom of God". Jesus explains the new birth in verse 5 Except a man be born of water (speaking of baptism) and of the spirit, he cannot enter into the kingdom of God.

Genuine Christianity must be one great purpose of life. We cannot be worldly in our conduct if we are to be Christ-like. To be a sincere Christian means more than just turning over a new lead, it means living a new life. It means there must be a day by day battle. A constant surrender of our hearts to the indwelling Christ. When Jesus comes to dwell with us, we become new creatures in Him. He is acquainted with our trials and sympathizes with our griefs. Every son and daughter of Adam may understand and know that God overcometh the world and this is the victory that overcometh the world, even our faith."

Morning Worship — Sermon Topic: "You May Know What — But Do You Know How?" John 13:5

Yoth Fellowship — 7 p.m.

Memorial Methodist Church

The Rev. Earl W. Pike, Director of Adult Work for the Virginia Methodist Annual Conference, Richmond, will be the Guest Preacher for the Morning Worship, with his sermon directed especially to Adult Evangelism in the Church School. Mr. Pike has had a varied experience in the work with adults throughout the entire state of Virginia, since assuming his position in Richmond and will bring added inspirations in his sermon Sunday morning. The Sanctuary Choir will present special selections and the continuing offering for Church Extension throughout Virginia will be given emphasis during the service.

For the Evening Worship Service, the pastor will give the second in the evening messages in preparation for the Week of Lay - Witnessing to be conducted in the church simultaneously with missions being held in all Methodist churches of the Lynchburg district during the week of March 24th. The message Subject for Sunday evening will be: "Convictions of the Converted" based on the conversion of the man born blind as recorded in the ninth chapter of John's Gospel. Several young persons will assist in the services and the Chapel Choir will furnish choir selections. The first in the series of messages preparatory for the Lay - Witness Mission was given last Sunday evening, the subject being: "How to Have An Appomattox - Wide Revival?"

Dr. Edgar A. Potts, Lynchburg District Superintendent, will present a special Preparatory message for the Lay - Witness Mission on Sunday evening, Mar. 17th and the special series of testimony services will begin on Sunday evening, March 24th.

The Lay Witness Mission, planned and sponsored by the Commission on Membership and Evangelism, Mrs. Grove E. Smith, chairman, is being planned for the purpose of vitalizing the Lay - Witness of the entire membership of Memorial. Since Christianity from the very beginning has been characterized by the dedicated participation of consecrated lay men and lay women in carrying forward the Work of Salvation, the present-day Church fellowship must be a Witnessing and Winning Fellowship of believers. Guest Lay speakers will assist during the Week of Lay Witnessing in stimulating a deeper desire to share the Good News with others of our community for the salvation of immortal souls.

Ian Service and the six circles of the society will enjoy a covered-dish fellowship meal as a part of their next regular meeting on March 13, in the social hall of the church, with Mrs. James A. Smith, president, in charge.

Special empiasis is being given to classes in church membership prior to the Palm and Easter Sunday services when new members will be received into the fellowship of believers at Memorial.

The Appomattox Court House Presbyterian Church will be host Sunday morning, March 10, to the local Girl Scout Troop 41 and Brownie Troops 16, 31, and 70. The Girl Scouts and their leaders will be worshiping together in the Presbyterian Church as part of their celebration of National Girl Scout Week, March 10-17. For the service the Presbyterian Youth Choir will sing the anthem, "The Lord Shall Comfort Zion" by Lorenz. The Morning Message will be entitled, "Your Real Name", and will be brought by the minister, the Rev. Millard G. Stimpson.

Further Presbyterian Program

A Covered Dish Supper will be held at the Church at 6 p.m. for all the members of the Church and Sunday School, with all friends of the Church cordially invited. Following the supper a Foreign Mission Motion Picture Film entitled, "Taiwan Dairy" will be shown for the inspiration and information of the Congregation.

Youth Choir Rehearsal will be held Monday night at 7:00; and the Junior Choir Rehearsal on Thursday afternoon at 3:15.

Circle No. 1 of the Women of the Church will meet on Tuesday afternoon at 3:00; and Circle No. 2 on Wednesday night at 8:00.

State 4-H Electric Congress by Julia Anne Guill and Ken Coleman

A trip to the State 4-H Electric Congress is awarded to the boy and girl who submit the best 4-H Electric records in the county. The Electric Project was taken by all students in the 5th through 7th grades in the county in 1961-62.

When we received the letter saying that we were county winners, we nearly flipped! On Wednesday, August 29, 1962, at 1 p.m., we left for Richmond with high spirits. We arrived at the exclusive Jefferson Hotel and got acquainted with our roommates. That night we went to the "Let's Get Acquainted Party" in the Grand Ballroom of the Hotel.

The next day, we went to assembly and heard many talks and demonstrations. At lunch we were welcomed by Mr. John H. Wessels, Executive Assistant to the Governor of Virginia. After lunch we toured the Civil War Centennial Center, Museum of Natural Arts, St. John's Episcopal Church, and also toured the Capitol grounds.

That night we attended the banquet, the theme of which was "Key to Better Living". District awards were presented and also county exhibit awards were made. State 4-H Share the Fun winners presented the entertainment.

We came home tired but happy and with hope of going again someday.

4-H Report

I am a member of the Oakville School 4-H Club. This is my third year in 4-H Work. The 4-H Club offers many projects and opportunities that I am interested in. Living in a rural community I feel that the 4-H can teach us many improved methods of working as we "learn by doing". Each month we hold our meetings at the school. We join with our friends for work, fun and fellowship. Occassionally we have a party, picnic, or get together in our homes. 4-H Club work will help us to develop our talents to greater usefulness. We learn to share community responsibities and how to live in a changing world. As we work on our projects and records during the year we learn and have fun as we strive "To make the better best" way to teach a boy or girl how to handle younger children. My group was a group of girls thirteen years old who had known me before they came to camp. They were a pretty noisey bunch, but I had a wonderful time just being with them and trying to keep them in order.

During second and third period Suzanne Gilles and I were assigned to teach the class of Art and Sketchings. There were about fifteen students in each class. During this time we tried to teach these students the art of drawing. Sometimes they had a different idea in mind. Between classes and during the afternoon we had free time to write letters, go swimming, have tribe meetings and sometimes we would take a group of campers and teach them a new game or dance. We tried to teach them and keep them in order, however, I think they taught us more than we did them. On Friday night, July 7, the campers, and the leaders participated in the annual candle light ceremony for the parents. This brought to close a wonderful week of fun, and hard work.

Sears 4-H Garden and Canning Project

The Sears 4-H Garden and Canning Project is a very interesting project. I was in the 5th grade when I started this project. Mrs. Anderson and Mr. Gilliam started my interest in this project.

I knew such a little about gardening at this time. The project has helped me understand the importance of good seeds, plants, soil and location.

Control of weeds and ... play a very important ... this project. It counts a ... the average of your score ...

The canning project is ... very interesting and imp... project. I learned the ... canning and freezing m... and the importance of doing ... step accurately.

Laziness and gardening ... go together. The soil has ... prepared at the right time ... seed planted at the right ... pulling the weeds before ... large, killing bugs before ... damage, harvesting before ... large, canning and freezing ... fore too large. As you can ... it keeps everyone busy. Be sure that other members ... enjoy this project as much ... have.
